Re: Formal Approval of Form and Amount of Reclamation Surety, Harper Contracting, Parleys Canyon Rock Quarry, M/035/012, Salt Lake County, Utah

Dear Mr. Mayhew:

On February 28, 1996, the Board of Oil, Gas and Mining gave conditional approval of the form and amount of reclamation surety for Harper Contracting's Parleys Canyon Rock Quarry. The reclamation surety is a surety bond (# _____), issued by National Fire Insurance Company for \$36,800. The approval was conditioned upon the Division receiving no adverse comments during the 30-day public comment period, which ended March 21, 1996. No adverse comments were received within the 30-day timeframe; therefore, the Division hereby grants its final approval of this project and the reclamation surety.

Enclosed please find copies of the fully signed and executed Reclamation Contract and surety bond forms for your files.

Thank you for your cooperation in finalizing this permitting action. Please call me if you have any questions in this regard.

Sincerely,

Anthony A. Gallegos
Senior Reclamation Specialist
